REPORT NARRATIVE

SYNOPSIS:

Kenneth Hower broke the window of the door to a motorhome that was parked on private property. The owner of the motorhome confronted Hower while his arm was through the window, trying to unlock the door. Deputy Gaspar arrived on scene and attempted to detain Hower but he ignored commands. Hower physically resisted Deputy Gaspar's attempts to control him; force was used and a Conducted Energy Device (CED) was deployed to detain Hower. Deputy Gaspar sustained multiple minor injuries to his hands, arm, and knee. Hower was placed under arrest. During a search incident to arrest, a glass pipe, a baggie of a controlled substance (0.52g gross weight), and two credit cards of other people's names were found.

A records check revealed Hower also had an active felony warrant for his arrest (Warrant #CPR170190).

Hower was transported to Grossmont Hospital for treatment. He sustained a broken nose. Once he was medically cleared, he was transported and booked into San Diego Central Jail for 69PC-Obstruct/Resist Peace Officer, 459PC-Burglary, 485PC-Appropriate Lost Property (two counts), 11377(a)HS-Possession of a Controlled Substance, and the warrant.

ORIGIN:

On 02/24/18, I responded to a "code cover" call at 10767 Jamacha Blvd in Spring Valley. The initial call was a vehicle burglary at 10783 Jamacha Blvd. (CAD#E4780896)

BACKGROUND:

None.

INVESTIGATION:

The call was dispatched as an uncooperative homeless male was disturbing the reporting party and customers at the business. The male was in the rear parking lot and told the reporting party, "The masonic gave him permission to do whatever he wants." The call was later updated that the male's arms were inside a broken window to the motorhome parked in the lot.

As Deputy Gaspar arrived on scene, the reporting party flagged him down and pointed towards the male suspect, later identified as Kenneth Hower. Hower was walking towards Lamplighter Village Mobile Home Park. Deputy Gaspar attempted to detain Hower but he was not complying. Deputy Gaspar had to use force and deployed his Conducted Energy Device (CED). Deputy Gaspar detained Hower and placed handcuffs on his wrists. (See Deputy Gaspar's report for further details).

Additional deputies arrived on scene.

Deputy Gaspar sustained abrasions to both his hands and right knee. He also had bruising to his right hand and right knee. Deputy Hankard took photographs of Deputy Gaspar.

I arrested Hower for 69PC-Obstruct/Resist Peace Officer and 459PC-Burglary. During a search incident to arrest, Deputy Snell advised me she found a small baggie with a crystalline substance in his right coin pocket. She also found two credit cards in his wallet; one with the name (b)(5)(B) and the other with (b)(5)(B). Deputy Snell put the baggie in an envelope and gave it to Deputy Lelevier. I took possession of the credit cards. (See Deputy Snell's report for further details). I decided to add 485PC-Appropriate Lost Property (two counts), and 11377(a)HS-Possession of a Controlled Substance to his arrest.

Deputies Hankard and Snell transported Hower to Grossmont Hospital to be medically evaluated. Deputy Snell read Hower the Miranda rights; Hower admitted to having methamphetamine. (See Deputy Snell's report for further details).

I took photographs of the property Hower had when he was contacted. The property included clothing, multiple sets of keys, and a purse full of hygiene products, phone chargers, perfumes, and other miscellaneous items. Witnesses (b)(5)(B) and (b)(5)(B) walked over to our location. The motorhome belonged to (b)(5)(B) and her husband. I asked (b)(5)(B) to look at the property to see if any of the items belonged to her. She stated none of the items came from her motorhome. I next took a statement from (b)(5)(B). She essentially told me the following.

STATEMENTS:

STATEMENT OF (b)(5)(B) (WITNESS):

(b)(5)(B) is a co-owner of (b)(5)(B) with (b)(5)(B) (b)(5)(B) and her husband keep their motorhome parked in the rear parking lot. The parking lot is enclosed with a fence. Last night (02/23/18), Hower was tampering with the motorhome and causing a disturbance. Today, (b)(5)(B) came into work and parked in the lot. She saw Hower with his arm through the broken window of the motorhome and confronted him; the window was not broken before the incident. (b)(5)(B) told Hower to get away from the motorhome. Hower told her he was cleaning up and he knew the owner "Mason."

INVESTIGATION CONTINUED:

I next spoke with (b)(5)(B). She explained she called the police and went outside. (b)(5)(B) said she told Hower she called the police and he began to walk away; Deputy Gaspar pulled up as Hower was walking out the lot. I concluded my interviews with (b)(5)(B) and (b)(5)(B).

Deputy Gaspar searched and packed the items Hower had in his possession into bags. He found a glass pipe commonly used to smoke methamphetamine inside the purse. Deputy Gaspar and I drove over to the parking lot where the motorhome was located and he took photographs.

At the Rancho San Diego Station, I weighed the crystalline substance. The gross weight was 0.52 grams. Based on my training and experience, I believed it was a controlled substance. I have been a peace officer for over three years. My training and experience includes 24 hours of classroom and practical training dealing with controlled substances. During my time in the Jails and Patrol I have been involved in over 50 arrests or contacts involving drug activity. I have also received training in the dangers of Fentanyl and Fentanyl analogues. Fentanyl is a very powerful opioid that is capable of causing death in very small amounts (2mg) and can even be mixed with controlled substances such as methamphetamine and heroin. Fentanyl can be accidentally absorbed through the skin or inhaled and has previously caused harm to first responders. Due to those dangers, I did not conduct a presumptive test on the substance.

All the items in Hower's possession were submitted into evidence. It is unknown at this time if it is stolen property. As I was processing the items, I found a plastic bag with a green leafy substance inside. The gross weight was 3.18 grams.

Deputy Hankard advised me Hower being discharged from the hospital. Deputy Gaspar and I relieved Deputy Hankard. Hower sustained a broken nose. Hower was also given medication to calm down because of his erratic and uncooperative behavior with the hospital staff. Deputy Gaspar and I transported Hower from Grossmont Hospital to San Diego Central Jail. At the jail, I notified Nurse

(b)(5)(B) (b)(5)(B) that Hower was Tasered.

REPORT NARRATIVE

ORIGIN:

On 2/24/2018, at about 1137 hours, I was dispatched to respond to a radio call of a vehicle burglary behind the business complex at 10783 Jamacha Blvd. in Spring Valley (CAD # E4780896). The text of the call indicated a white male subject wearing a black tank top and jeans was harassing customers and had forced entry into a motorhome of the reporting party.

DEPUTY'S OBSERVATIONS AND ACTIONS:

Upon my arrival, I observed a male subject, later identified as Kenneth Hower, exit the rear parking lot at 10783 Jamacha Blvd. Hower was wearing a black tank top and jeans and was carrying large bags and several jackets under his left arm. Hower exited the parking lot and walked southbound away from me towards the Lamplighter Village mobile home park. A female in the parking lot pointed towards Hower, indicating he was the subject involved in the incident. I called to Hower and told him to stop, but he ignored me and continued walking into the Lamplighter Village mobile home park. Based on the fact that Hower matched the description of the subject from the call, and was holding several items in his arms, I believed he may have been in possession of stolen property.

I followed Hower in my vehicle to the main entrance of the mobile home park and exited my vehicle while calling out to him several times, "Hey stop right there, I need to talk to you." Hower continued to walk away from me and I followed him through the pool area of the park and into the residential housing area. Hower responded several times, "I don't want to talk to you...don't chase me don't chase me." I followed Hower for approximately 500 feet away from my patrol car as he continued to evade me and speed up his walking pace to get further away from me.

I approached Hower and grabbed his left arm to place it behind his back to be handcuffed. Hower turned his body towards me and immediately pulled his left arm away. Hower dropped the items in his arms and reached his arm out towards me to push his body away from me as I grabbed his arms and shoulders and forced him to the ground. Hower landed on his back as I repeatedly told Hower to roll over onto his stomach and place his hands behind his back. Hower kept his hands outreached towards me and grabbed onto my shirt and arms as he thrashed his legs and lower body up off of the ground to stay on his back and prevent me from being able to roll him to his stomach. I used my radio to call "code cover" for additional deputies to

assist me. Due to Hower's close proximity to my gun belt and his continuous attempts to grab my uniform, I struck him in the face 3 times with a closed right fist as he continued to grab me and push me away with his arms and refuse to roll over onto his stomach. The strikes to Hower's face were ineffective and I attempted to grab Hower's hips and roll his body over but he continued to kick and thrash his legs off of the ground, preventing me from being able to successfully roll him over to his stomach.

I was leaned over Hower's body on the ground as he curled his legs into his body as he rolled to his left side and quickly began to raise himself to his feet. I stood up and created distance from Hower in case he was in possession of a weapon, and deployed my department issued Conducted Energy Device (CED) towards Hower. I deployed one set of probes to Hower's upper and lower chest for the automated 5 second cycle. The CED was effective and Hower fell to the ground. I gave several more commands to Hower to roll over onto his stomach and place his hands behind his back. Hower still refused and continued to lie on his back as I approached him and rolled his body over to his stomach, pulled his arms behind his back and placed handcuffs on his wrists.

Had I not used force to gain control of Hower, he may have escaped a lawful detention, and he may have injured me further by continuing to fight with me by grabbing my uniform and standing back up to his feet after he had been forced to the ground.

After I applied handcuffs to Hower's wrists, additional deputies arrived to assist and took over control of Hower. I assisted with taking photos of the scene and Hower's property, and later copied them to a disc to be entered into evidence.

I sustained abrasions to both of my hands and right knee, and bruising to my right hand and knee from the takedown and strikes that were thrown during the incident.

Hower was transported to Grossmont hospital to be treated for CED probes and a broken nose from the strikes. At the hospital he was given medication to calm down because of his erratic and uncooperative behavior with the hospital staff. Deputy Cutler (7919) and I transported Hower from Grossmont Hospital to the San Diego Central Jail without incident.

REPORT NARRATIVE

ORIGIN:

On 2/24/2018 at 1145 hours, I responded to 10783 Jamacha Boulevard reference a vehicle burglary. (CAD #E4780896)

DEPUTY OBSERVATIONS AND ACTIONS:

While enroute to the call, at approximately 1147 hours, Deputy Gaspar requested code cover. I drove vehicle 20186, a marked black and white Sheriff patrol vehicle, with the code-3 emergency lights activated to lamplighter Village mobile home park.

I arrived on scene around 1150 hours and saw several Deputies standing around a handcuffed male, who was later identified as Kenneth Hower. I asked how I could help and was asked to get witness information. I spoke with **(b)(5)(B)** on scene. **(b)(5)(B)** has been the manager of the Lamplighter Village mobile home park for the about ten years. **(b)(5)(B)** provided the following statement.

STATEMENT:

STATEMENT OF **(b)(5)(B)** (WITNESS):

(b)(5)(B) had never seen the man before, referring to Hower. The man was walking through the park saying "leave me alone" to the officer. She believes something happened somewhere else and he walked over here. Hower was given plenty of opportunities by the officer. They got into a little scuffle. Hower dropped his belonging and tried to get up and fight. Hower was trying to resist and was also given plenty of opportunities by the officer.

DEPUTY OBSERVATIONS AND ACTIONS CONT.:

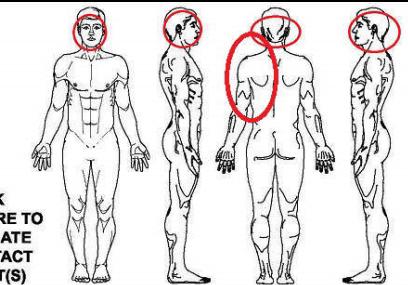

This concluded my involvement in the investigation.

REPORT NARRATIVE

ORIGIN:

On 02/24/18, at about 1150 hours, I responded to 10783 Jamacha Boulevard in Spring Valley reference a male who possibly broke into a motorhome (CAD #4780896).

DEPUTY'S OBSERVATIONS & ACTIONS:

While en route to the aforementioned location, Deputy Gaspar #0255 advised that the suspect was non-compliant and walking away from him. Additionally, Deputy Gaspar stated they were behind the pool area located at 10767 Jamacha Boulevard. Shortly thereafter, Deputy Gaspar requested Code Cover (lights and sirens) from responding deputies.

I activated my overhead lights and sirens and responded to his location. When I arrived, I saw Deputy Gaspar sitting on the back of the suspect, later determined to be Kenneth Hower. I went to Hower's head and shoulder to ensure he did not get up or continue to resist. I applied downward pressure on the back of Hower's head and left shoulder area to ensure he did not attempt to get up and fight again. I applied the downward pressure using my knees and applied the pressure using my body weight.

Once enough deputies arrived on scene, I escorted Hower to a patrol vehicle. Hower was bleeding profusely from the face and still turning towards deputies. I told Hower to remain still and keep his head pointed downward while Deputy Snell #0039 searches his pockets. Hower was unable to follow simple instructions and continued to turn his face and speak to both myself and Deputy Snell. In order to prevent Hower from spitting or flinging any blood onto me or my partners, I placed a spit sock on top of Hower's head.

The spit sock remained on Hower's head for approximately five minutes until paramedics arrived on scene. Paramedics treated Hower on scene and cleaned his wounds. Once paramedics cleaned Hower's injuries, a spit sock was no longer required. The spit sock was utilized to protect myself and my partners from being contaminated by Hower's blood and saliva. At that time, we were unsure if Hower had any communicable diseases and did not want to potentially become infected.

Deputy Gaspar informed me that Hower was being placed under arrest for 69 PC at a bare minimum. As my partners were conducting the investigation, Deputy Snell and I transported Hower to Grossmont Hospital as a Conductive Electronic Device (CED) was used during the arrest. Hospital staff completed an X-RAY, EKG, CT scan and tended to Hower's injuries. At the hospital, I read Hower the Miranda Statement verbatim out of my deputy's notebook. Hower stated he did not understand his rights therefore a statement was not taken.

Once Deputy Cutler prepared the necessary booking paperwork, she met me at Grossmont Hospital and took control of Hower.

This concluded my involvement in this case.

REPORT NARRATIVE

ORIGIN:

On 2/24/18, at 1142 hours, I was dispatched to a report of a male creating a disturbance and possibly involved in a vehicle burglary at 10783 Jamacha Boulevard in Spring Valley, CA. (CAD#E4780896)

BACKGROUND (Training and Experience):

I am a Deputy Sheriff employed by the San Diego County Sheriff's Department since August 2014. I graduated from the 101st Regional Law Enforcement Academy where I received approximately 12 hours of classroom training on how to identify controlled substances and narcotics, how to conduct presumptive tests on those substances and how to weigh them. I know the objective symptoms of people under the influence of controlled substances. I received 8 additional hours of P.O.S.T certified training on controlled substances and drug abuse recognition.

I have observed the behavior and mannerisms of alcohol and illegal drug users. I have performed approximately 300 drug/alcohol related evaluations and arrests in my career and have become familiar with different types of narcotics and drug paraphernalia. The Federal Drug Enforcement Administration (DEA) has set a standard that .05 grams of any illegal street narcotic is considered a usable amount.

I have also received training in the dangers of Fentanyl and Fentanyl analogues. Fentanyl is a very powerful opioid that is capable of causing death in very small amounts (2mg) and can even be mixed with controlled substances such as methamphetamine and heroin. Fentanyl can be accidentally absorbed through the skin or inhaled and has previously caused harm to first responders.

DEPUTIES OBSERVATIONS AND ACTIONS:

Prior to my arrival, Deputy Gaspar #0255 indicated the male subject was walking away from him and he was currently located in the mobile home park at Lamplighter Village. He stated he was behind the pool. Deputy Gaspar updated he was near unit

(b)(5)(A) I arrived at the location and observed Hower lying on the pavement. Deputy Gaspar had already placed handcuffs on Hower. I observed taser prongs and wires around the area of Hower's mid-section. I requested an ambulance for Hower. I assisted Hower to stand up and escorted him to my patrol vehicle.

I began to perform a search incident to arrest. While Hower was standing at my vehicle he repeatedly disobeyed my commands to face the vehicle and looked away from myself and my partners. Deputy Hankard #1216 applied a spit sock onto Hower.

I continued my search incident to arrest. I located a small clear plastic bag in Hower's right front coin pocket. There was a white crystalline substance inside the plastic bag. Based on my training and experience, I believed the substance to be methamphetamine. Due to the previously mentioned dangers of fentanyl, I did not conduct a presumptive test on this substance. I placed the plastic bag in a glove to contain its contents. I then placed the glove inside a manila envelope which I passed to Deputy Lelevier #0321 for transfer to the Rancho San Diego Sheriff station.

I asked Hower if he had identification and he stated his wallet was in his belongings on the sidewalk.

Paramedics AMR #256 arrived on scene and treated Hower.

Deputy Hankard # assisted Hower to sit inside my patrol vehicle.

I took photographs of the belongings located where Hower had been detained. I located a wallet inside the bag which was indicated to have been in Hower's possession. It was a brown leather wallet. I brought it back to the vehicle and opened the wallet. I could see Hower affirming by nodding, indicating it was in fact his wallet. I located Hower's California driver's license inside of it. I also located 2 credit cards in the same section of his wallet. They did not have Hower's name on them. One card belonged to (b)(5)(B) and the 2nd belonged to (b)(5)(B). I placed the 2 credit cards which did not belong to Hower in the bag where his wallet was originally found. I placed Hower's wallet inside his jail property bag with his driver's license.

I transported Hower to Grossmont Hospital with Deputy Hankard following me.

While at the hospital Deputy Hankard advised Hower of his charges. Hower admitted to possessing the methamphetamines.

I left the hospital and Deputy Hankard remained to standby until Hower was medically cleared.

I was wearing a body worn camera during this incident and captured 1 video.

I had no further involvement in this investigation.
